**PSAT - Thinking about applying to college after high school? Then maybe you should take the Practice SAT. This test is open to all 9th, 10th, and 11th graders and is a great way to see the type of test questions the SAT has, get a feel for the testing environment, and determine what your scores might be. Plus, JUNIORS might qualify for scholarships simply based on their test scores. Applications are available now and will close September 19th. The cost of the test is \$18 without a fee waiver. For more information, please contact Ms. Stevens at Jennifer.stevens@kernhigh.org.
